OUTDOOR PLAY

Outdoor play has never been better with the range of products SES Creative offers. Outdoor play is essential for children and while keeping that in mind we have developed products that encourage children to be **active** and to have **fun**.

Our products cover a range of categories such as **Mega bubbles**, active play, and modern classics. We provide fun activities for every child and every occasion.

MEGA BUBBLES

Our **super strong** bubble solution is produced in our own factory. That also means that our products are subjected to extensive testing which results in a very safe and washable solution.

SLIME: SAFE AND FUN

Safety and fun, with slime. SES Creative offers a range of different kinds of **slime**. Natural glitter, different types of thickness and multiple colours offer something to every child. To make sure that we comply with all the **toy safety standards** our slime is developed and produced in our factory. While being subjected to different tests we make sure we comply with the current standards.

SLIME LAB

Besides our **ready-made** slime, children can make their own slime with our slime **lab** sets. With the right instructions they can make their own slime step by step.

Tiny TALENTS

FOR THE YOUNGEST

The wonderful world of Tiny talents, where the focus of SES Creative lies in designing **developmental toys** for the youngest. The variety of products within this range is focused on the ages from **0 to 3 years**.

DEVELOPING SPECIFIC SKILLS

Not only are the products within this range **modern**, child-friendly, and **safe**, but they also focus on specific skills that are developed in the first stages of a child's life.

Developing fine motor **skills**, hand-eye coordination or simply exploring **sensory** play, we thought of everything when it comes to Tiny talents. Even taking a bath will be a party with our collection of fun **bath toys**.
